

JUNE 23, 2018 GREAT AMAZING RACE

RACE INFO

This exciting adventure race, modeled after the popular TV show "THE AMAZING RACE", features teams of two people racing in competition with other similar age teams.

Participants complete a variety of fun physical & mental challenges at multiple stops along the course. "Teamwork" is the key as each challenge requires the involvement of both teammates in order to complete.

Walk, jog or run – be prepared to get a little dirty and wet. It's way more fun than a 5K race!
